STATEMENT FOR 10/01/2025 - 10/31/2025

PAGE 6 of 7

This statement of account contains income tax reporting information, year to date interest and/or dividends. The dividend amount will be reported to federal and state governments per requirements. Retain your statement of account for purposes of income tax reporting.

### PERIODIC STATEMENT DISCLOSURES FOR OPEN-END LOANS

The periodic rate and Annual Percentage Rate is subject to change on loans marked "variable". How we determine the balance on which your periodic finance charge is computed: We will figure the periodic finance charge on your account by applying the daily periodic rate to the unpaid balances of your account. To get the unpaid balance we will take the ending balance of your account each day after adding any new advances or purchases and subtracting any payments or credits. This gives us the unpaid balance.

### WHAT TO DO IF YOU FIND A MISTAKE ON YOUR STATEMENT (Other than Home Equity Plans)

If you think there is an error on your statement, write to us at the address on the front of the statement. You must contact us within sixty (60) days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

### SPECIAL RULES FOR CREDIT CARD PURCHASES

If you have a problem with the quality of goods or services that you purchased with a credit card and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (NOTE: If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

### HOME-EQUITY PLANS BILLING RIGHTS SUMMARY

In case of errors or questions about your bill: If you think your bill is wrong, or if you need more information about a transaction on your bill, write us at the address on the front of the first page of this statement, as soon as possible. We must hear from you no later than sixty (60) days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.
